Brethren and our Masonic Family,

First of all I would like to wish to all of you a good health during those difficult times.

Since our Lodge it has been closed to all Masonic activities I would like to keep you informed as much as possible.

I would also like to remind you that following local and state laws as well as recommendations and instructions from our Grand Lodge, since March 17th, **ALL** Masonic and non-Masonic activities in our Lodge are suspended until further notice.

Since we still have to pay bills, on Thursday 9th, the Officers of our Lodge have had a video conference which during that time we were able to discuss and approved to pay all our outstanding bills.

A donation of \$2000 was also approved to be given to the “Distressed Worthy Brother Relief Fund” created to help Masons who’ve been affected by the COVID-19.

The minutes of this and any subsequent video conference meeting will be read at our first regular Stated meeting, when everything will be back to normal.

Again, following Government and Masonic guidelines the same restrictions, applies also to the Hall Association meetings until instructed otherwise.

By the way, maintains of the Lodge continuing as needed and all bills have been paid as well.

I would like to mention and thank all the Lodge’s Officers and Hall Association Members for maintaining and keeping our Lodge in top shape during these difficult times.

Our Lodge it maybe temporary's closed but our Secretary would like to remind you to taking care those outstanding member dues. Any question, suggestion or concern you may have please contact me the Wardens, Secretary, Board President and Building Manager.
